# Specialty Benefit Amendment

## Copayment Schedule for the Heritage Series

### How Your Specialty Benefit Amendment (SBA) Works

Should you need the services of a dental care specialist, you may receive those services without a referral from your Plan Dentist.

To find a Plan Specialist (SBA or Non-SBA), refer to the provider directory. SBA Plan Specialists are indicated with an "S". All other listed specialists are Non-SBA Plan Specialists. Or, you may visit the web site at [www.assurantemployeebenefits.com](http://www.assurantemployeebenefits.com) (click on Provider Search, and then on Heritage Series). For more information about the SBA plan or for assistance in finding a Plan Specialist, call Customer Service at 800.443.2995.

If you use an SBA Plan Specialist (a specialist who is a part of the plan provider network and accepts SBA copayments) for a service listed on the schedule below, you will pay the corresponding Member Copayment shown in the **'SBA Plan Specialist Copayment'** column at the time of service.

All **other** services obtained from an SBA Plan Specialist, and **all** services obtained from a Non-SBA Plan Specialist (a specialist who is a part of the plan provider network but does **not** accept SBA copayments), will be provided to you at a reduction in that Plan Specialist's normal retail charges. A 15% reduction applies if that Plan Specialist is an endodontist. A 25% reduction applies if that Plan Specialist is any other type of specialist, including but not limited to an orthodontist. You will be responsible for paying the entire reduced charge at the time of service or in accordance with that Plan Specialist's billing procedures.

Payment for each service of a Non-Plan Specialist (a specialist who is **not** a part of the plan provider network), at that specialist's normal retail charge, is your responsibility, except for limited Plan Benefits for covered dental emergency services for temporary pain relief.

# Learn more about the prepaid dental plan being offered to you!

---

**Your employer is offering you an attractive prepaid dental plan. This Q&A will help provide you more information about the plan being offered to you.**

## **What is a prepaid plan?**

With a prepaid plan you pay a monthly prepayment fee plus you pay reduced fees called “copayments” for dental services provided. To receive the reduced fees you must use a Plan Dentist selected at the time of enrollment.

## **What are copayments and where can I locate the copayment schedule?**

A copayment is the set fee that you pay to the Plan Dentist at the time of treatment for covered services that are being performed.

The copayment schedule is a listing of covered services and copayments for your plan. The schedule is included in the Evidence of Coverage. It is helpful to bring your copayment schedule to your dental appointment.

## **How do I select a Plan Dentist?**

You should select your Plan Dentist when you enroll. You can visit [www.assurantemployeebenefits.com](http://www.assurantemployeebenefits.com) and go to Provider Search or refer to your plan network directory for a listing of Plan Dentists. On the web site please choose the Heritage Series network listed on the Provider Search page for provider look-up. Note that your Plan Dentist must be a general dentist, not a specialist.

## **How long does it take to appear on the patient list/roster of my Plan Dentist that I select at time of enrollment?**

If Assurant Employee Benefits receives your Plan Dentist selection by the 10th of the month, you will appear on the roster the 1st of the next month. If we receive the selection after the 10th, you will appear on the roster the 1st day of the second following month. If you are not listed on the roster, please contact us at 800.443.2995.

## **How will the Plan Dentist know I am a patient?**

The Plan Dentist receives a patient listing, called a roster, from Assurant Employee Benefits each month that includes all members who have chosen that individual as their dentist.

Please confirm at the time of making your appointment with the Plan Dentist that you are on the provider's roster.

## **Can I change my Plan Dentist?**

Yes, you can. To change your Plan Dentist, contact Customer Service at 800.443.2995.

## **What if I choose to see a dentist other than my selected Plan Dentist?**

The costs will **not** be covered by your dental plan and you will be responsible for the full payment to the dentist. This is why it is important for you to seek treatment from your selected Plan Dentist.

## **If I have a dental emergency, do I need to see my Plan Dentist?**

First, contact your Plan Dentist to make an appointment. If your Plan Dentist is unable to see you, you may seek treatment from any licensed dentist in the United States.

Please be informed that the emergency benefit in your plan is limited to the temporary relief of pain and has limited benefits.

## **If I need to see a specialist, how do I go about finding a Plan Specialist in my area?**

You may find a list of Plan Specialists by looking in the plan network directory, visiting the web site at [www.assurantemployeebenefits.com](http://www.assurantemployeebenefits.com) or calling 800.443.2995 for assistance. No referrals are necessary from your Plan Dentist to seek treatment from a Plan Specialist.

## **What if I lose my Dental ID card or have a question about my plan?**

Contact Customer Service by calling 800.443.2995.
